Zebraish is not, as of the Effective Date, incorporated or registered as a separate legal entity. Purpose

The Founder is appointing the Collaborator as a Zebraish Official Collaboration Partner to promote the Brand, create social media awareness, introduce potential clients, and represent the Brand, in each case in accordance with this Agreement.

2

APPOINTMENT & ROLE

Position: Zebraish Official Collaboration Partner.

The Founder appoints the Collaborator, and the Collaborator accepts appointment, as a Zebraish Official Collaboration Partner. In this role, the Collaborator will:

- represent Zebraish positively and professionally;
- increase brand awareness for Zebraish;
- promote Zebraish on social media;
- create agreed promotional content;
- introduce potential clients to Zebraish;
- use the Collaborator's personal network and audience to generate interest in Zebraish;
- participate in agreed campaigns and promotional activities;
- provide feedback on client and audience response where requested; and

- maintain professional conduct at all times when representing Zebraish.

Exclusivity: This Agreement is non-exclusive. The Collaborator may work with, promote, or represent other brands during the Term, provided such activity does not conflict with the Collaborator's obligations under this Agreement, including Section 9 (Brand Guidelines) and Section 10 (Confidentiality).

If the Founder later wants exclusivity, or exclusivity limited to a specific product category or named competitors, this clause should be revised before signature.

3

COLLABORATOR RESPONSIBILITIES

3.1 Social Media

The Collaborator will maintain the following minimum social media activity promoting Zebraish, as also set out in Schedule A (Collaborator Deliverables):

- two (2) Instagram feed posts and/or Reels per week;
- three (3) Instagram Stories per week;
- one (1) TikTok video per week;
- resharing official Zebraish campaigns when reasonably requested;
- tagging official Zebraish accounts where appropriate;
- using designated campaign hashtags where appropriate; and
- participating in product and campaign launches.

These minimums are set out in Schedule A and may be updated by written agreement between the Parties (including by email) without amending the remainder of this Agreement, as set out in Section 16.2.

3.2 Content

All content the Collaborator creates or shares in connection with Zebraish will:

- be original to the Collaborator or otherwise authorized for use;
- present Zebraish accurately;
- not contain false or misleading claims about Zebraish, its products, or its services;
- follow any agreed campaign guidelines provided by the Founder; and
- where required by the Founder in advance for a specific campaign, be submitted for approval before publication.

3.3 Outreach Responsibilities

The Collaborator will proactively identify and approach potential clients for Zebraish within the Collaborator's personal network and audience, including through direct messages, in-person introductions, and social media engagement. The Collaborator will represent Zebraish's offering accurately when doing so and will direct interested prospects to the Founder, or to the Zebraish Project & Payment Portal once available, so that a client project can be opened in accordance with Section 3.4.

3.4 Client Introductions & the Zebraish Project Portal

When the Collaborator introduces a potential client to Zebraish, the resulting project should be opened through the Zebraish Project & Payment Portal (or communicated directly to the Founder for entry into the Portal), which assigns the project a unique Project ID. The Collaborator does not need a personal referral code or link for this purpose. Commission is not calculated by matching individual clients to the Collaborator;

instead, it is calculated on all Qualifying Payments received by Zebraish during the Term, in accordance with Section 4 (Commission & Compensation), and the Collaborator may use the private Collaborator Dashboard described in Section 4.6 to review the underlying activity.

4

COMMISSION & COMPENSATION

4.1 Commission Rate. The Collaborator will receive a commission of ten percent (10%) of all Qualifying Payments received by the Founder, on behalf of Zebraish, during the Term of this Agreement. This commission applies to Zebraish's client payments generally during the Term; no referral code, referral link, or per-customer attribution is required for a payment to qualify.

4.2 Qualifying Payment. A "Qualifying Payment" is any payment that is: received by the Founder from a client for Zebraish products or services; received during the Term of this Agreement; and not a Non-Qualifying Transaction under Section 4.3. Where a client pays in installments, only the portion of an installment actually received during the Term counts as a Qualifying Payment.

4.3 Non-Qualifying Transactions. The following do not count as Qualifying Payments and generate no commission:

- cancelled orders;
- refunded orders (on the refunded amount, in whole or pro-rata for partial refunds), including any commission already paid on that amount, which the Founder may deduct from a future payout;
- charged-back or reversed payments;
- fraudulent transactions; and
- unpaid or uncollected orders.

4.4 Payment Schedule. Commission is calculated and paid on a weekly, aggregated basis. Each Sunday, the Founder will review all Qualifying Payments received by Zebraish during the preceding week, calculate the total 10% commission due, and pay that amount to the Collaborator. Where a Sunday transfer is not possible for reasons outside the Founder's reasonable control (e.g., a banking or payment-provider outage), payment will be made on the next business day.

4.5 Payment Method. Commission will be paid by bank transfer to the account details provided by the Collaborator in writing. Where a client payment is received in a different currency, the commission will be calculated using the exchange rate reasonably applied by the Founder at the time of the weekly payout.

4.6 Commission Transparency. The Founder will give the Collaborator reasonable visibility into each weekly commission calculation, whether through a private Collaborator Dashboard (once available) or a written summary, showing the relevant Project IDs, payment amounts, and PAID / PENDING status. The Founder will not disclose client contact details or other client information beyond what is reasonably necessary for the Collaborator to verify the commission paid.

4.7 No Fixed Salary. For the avoidance of doubt, no fixed salary is payable under this Agreement. Compensation is limited to the commission described in this Section 4, unless and until varied by a subsequent written agreement between the Parties.

4.8 No Cap. There is no arbitrary ceiling on the commission the Collaborator may earn under this Agreement.

5

PAID ADVERTISING

5.1 Where the Parties agree that paid advertising or boosted social media posts will support the Collaborator's promotional activity, the Founder will fund that spend directly and confirm the budget and channels with the Collaborator in writing before it is committed.

5.2 The Collaborator will not commit Zebraish to any paid advertising spend, sponsorship, or paid partnership without the Founder's prior written approval.

5.3 Any advertising spend incurred without such approval is the Collaborator's sole responsibility and will not be reimbursed by the Founder.

6

MONTHLY PERFORMANCE REVIEW

6.1 At the end of each calendar month during the Term, the Parties will hold a brief review (which may be informal, e.g., by call or message) covering: content delivered against Schedule A; client introductions and Qualifying Payments for the month; and any adjustments needed to social media cadence, outreach approach, or commission tracking.

6.2 This review is for alignment and feedback purposes and does not, by itself, amend this Agreement. Any resulting changes are made in accordance with Section 16.2.

7

PRODUCTS & CURRENT BRAND STATUS

The Parties acknowledge that, at the commencement of this Agreement, certain Zebraish products and branded apparel may not yet be commercially available. The Collaborator's initial responsibilities under this Agreement will therefore focus primarily on brand awareness, social media promotion, audience development, and the other agreed promotional activities described in Section 3. Product-related promotional duties, including the distribution of Zebraish products to the Collaborator, will commence or expand once such products become commercially available, at the Founder's discretion.

8

CONTENT & INTELLECTUAL PROPERTY

8.1 Collaborator's Identity. The Collaborator retains all ownership of the Collaborator's underlying personal identity, image, and likeness.

8.2 License to the Founder. The Collaborator grants the Founder, for the purposes of Zebraish, a non-exclusive, worldwide license to use the Collaborator's name, approved photographs, videos, and likeness, and any promotional content created for Zebraish under this Agreement, on Instagram, TikTok, the Zebraish website, and in Zebraish advertising, for legitimate promotional purposes related to Zebraish.

8.3 Duration of License. This license applies during the Term of this Agreement and for six (6) months after its expiry or termination, solely for reasonable archival, portfolio, and historical-campaign purposes. After that period, the Founder will, on the Collaborator's written request, cease active promotional use of that content in new campaigns (this does not require removal of organic social media posts made during the Term).

8.4 No Broader Rights. Except as expressly granted in this Section 8, the Founder receives no other rights in the Collaborator's identity, image, or likeness.

9

BRAND GUIDELINES

The Collaborator agrees to:

- maintain professional conduct at all times when representing Zebraish;
- avoid knowingly making false or misleading claims about Zebraish;
- not represent or imply that the Collaborator is an owner, director, or officer of Zebraish, unless separately and expressly authorized in writing;
- not make unauthorized promises, offers, or commitments on behalf of Zebraish;
- not disclose Confidential Information except as permitted under Section 10; and
- follow reasonable campaign instructions provided by the Founder.

10

CONFIDENTIALITY

10.1 "Confidential Information" means non-public information disclosed by the Founder to the Collaborator in connection with this Agreement, including without limitation: upcoming products; designs; business strategies; pricing strategies; client information; marketing plans; private documents; unreleased campaigns; commission and client-project data; and internal communications.

10.2 The Collaborator will not disclose Confidential Information to any third party, or use it for any purpose other than performing this Agreement, without the Founder's prior written authorization.

10.3 This Section 10 survives termination or expiry of this Agreement.

11

TERM

11.1 Initial Term. This Agreement begins on the Effective Date ("**Start Date**") and continues for an initial term of three (3) months from the Start Date ("**Initial Term**"), unless terminated earlier under Section 12 (Termination).

11.2 Renewal. This Agreement may be renewed or extended beyond the Initial Term only by mutual written agreement of both Parties. If no such written agreement is reached before the end of the Initial Term, this Agreement ends automatically three (3) months after the Start Date.

12

TERMINATION

12.1 Immediate Termination. Either Party may terminate this Agreement immediately, by written notice, if the other Party:

- commits serious misconduct;
- commits fraud;
- deliberately damages the other Party's reputation;
- misuses Confidential Information;
- engages in fraudulent reporting or misrepresentation of client introductions or commission-qualifying activity; or

- materially breaches this Agreement and, where reasonably capable of remedy, fails to remedy that breach within 14 days of written notice.

12.2 Termination for Convenience. Either Party may terminate this Agreement for any other reason by giving the other Party fourteen (14) days' written notice.

12.3 Effect of Termination. On termination or expiry of this Agreement:

- the Collaborator will cease representing themselves as a Zebraish Official Collaboration Partner;
- Sections 8.3 (only as to already-published content), 10 (Confidentiality), 13 (Relationship Between the Parties), and 15 (Dispute Resolution) survive; and
- legitimate commission earned on Qualifying Payments received before the effective date of termination remains payable, subject to the verification process in Section 4.

13

RELATIONSHIP BETWEEN THE PARTIES

13.1 The Collaborator is an independent brand representative and contractor. Nothing in this Agreement creates an employment relationship, partnership, joint venture, or agency relationship between the Parties, and the Collaborator is not a shareholder, director, partner, or employee of Zebraish or the Founder.

13.2 The Collaborator has no authority to enter into contracts on behalf of Zebraish or the Founder, to incur expenses or liabilities on behalf of Zebraish or the Founder, or to otherwise legally bind Zebraish or the Founder, without the Founder's prior written authorization.

13.3 The Collaborator will not represent themselves as an owner of Zebraish unless separately and expressly authorized in writing.

14

FUTURE ZEBRAISH REGISTRATION

The Parties acknowledge that Zebraish is currently operating as a developing, pre-registration brand and project, and that this Agreement is entered into by the Founder in the Founder's personal capacity for that reason. The Founder may, at the Founder's discretion, subsequently establish or register a legal entity for Zebraish. Following any such registration, the Parties may, by mutual written agreement, execute an updated or replacement agreement reflecting the newly registered entity as a party in place of the Founder, on substantially similar terms. Until any such replacement agreement is signed, this Agreement remains in full force between the Founder personally and the Collaborator.

15

DISPUTE RESOLUTION

15.1 Good-Faith Discussion. If a dispute arises out of or relating to this Agreement, the Parties will first attempt in good faith to resolve it through direct discussion.

15.2 Mediation. If the dispute is not resolved within a reasonable time through direct discussion, the Parties will attempt to resolve it through mediation, or another mutually agreed alternative dispute resolution process, before commencing formal legal proceedings.

15.3 Governing Law. This Agreement is governed by the laws of the Federal Republic of Nigeria.

■ THIS SECTION, INCLUDING GOVERNING LAW AND JURISDICTION, IS A PLACEHOLDER FOR REVIEW BY A QUALIFIED NIGERIAN LAWYER BEFORE THIS AGREEMENT IS SIGNED. IT IS NOT A SUBSTITUTE FOR LEGAL ADVICE.

16

GENERAL PROVISIONS

16.1 Entire Agreement. This Agreement, including Schedule A, is the entire agreement between the Parties regarding its subject matter, and supersedes all prior discussions and understandings, written or oral.

16.2 Amendments. This Agreement may only be amended by written agreement signed (including by electronic signature) by both Parties, except that Schedule A may be updated by written agreement between the Parties (including by email) without amending the remainder of this Agreement.

16.3 Severability. If any provision of this Agreement is found unenforceable, the remaining provisions remain in full force and effect.

16.4 Assignment. Neither Party may assign this Agreement without the other Party's prior written consent, except that the Founder may assign this Agreement to a Zebraish legal entity established under Section 14.

16.5 Notices. Notices under this Agreement must be given in writing to the email addresses set out in Section 1, or another address either Party notifies in writing.

16.6 Waiver. No failure or delay by either Party in exercising any right under this Agreement operates as a waiver of that right.

16.7 Electronic Signatures. This Agreement may be executed electronically, including through an electronic signature platform, and an electronically signed copy is treated as an original.

16.8 Counterparts. This Agreement may be executed in counterparts, each of which is treated as an original, and together forming one agreement.
